WHO WE ARE

About Swastika Soft Logics

We're a full-stack IT company built for the demands of modern digital products. Our one-team model connects design, development, mobile and marketing — so clients get a single, accountable partner instead of juggling freelancers.

Our track record speaks for itself. We've partnered with businesses across industries to deliver outstanding results — websites, mobile apps and marketing campaigns built to last, backed by 10+ years of consistent delivery and 150+ completed projects.
